Summary

Ambitious, passionate, hardworking, and a driven leader looking to make change in the world of esports. Around four years of experience in esports administration with an additional six years as a player. One of my main goals is to push the esports industry into the limelight and make it one of the industry leaders in entertainment.

Experience

Head of Competitive at Ole Miss Esports ↗

June 2021 – November 2021 (Oxford, MS 38655, USA)

Volunteer position for Ole Miss Esports. Manage and oversee all competitive events and teams under the Ole Miss Esports players. Apart of the executive board that makes decisions ranging from sponsorships and events to community building.

Tournament Admin at TSM ↗

August 2021

Organized, seeded, coordinated with teams, and performed normal admin/moderator duties for TSMU's Open Valorant Tournament on August 7th, 2021.

Project Lead at Fenworks Inc ↗

September 2021 – Present

Project Lead for the Minecraft division of Fenworks. Currently hosting three high quality servers that have over 60+ paying members on each platform. Turned the Minecraft division into the largest sport hosted under the Fenworks brand in under two months. Debugged plugins and recoded to fit custom needs. Authored rulesets for Valorant and soon to be State Tournament formats for Fenworks.

Vice President at Ole Miss Esports ↗

November 2021 – Present (Oxford, MS 38655, USA)

Volunteer position for Ole Miss Esports where I oversee and manage 25+ teams across 11 titles. Entering teams into tournaments, managing rosters, disputes, and handling the overall competitive infrastructure of the Ole Miss Esports organization.

Robotics CEA at Starship ↗

November 2021 – January 2022 (Oxford, MS 38655, USA)

Robotics Operator for Starship in Oxford, Mississippi at the University of Mississippi. Fix, clean, manage, and make sure all bots are properly working inside the mesh network of Starship at Ole Miss.

Education

Bachelor's Degree (Business) at University of Mississippi

2020 – 2024 (Oxford, MS 38655, USA)

Pursuing an Entrepreneurship Major at the University of Mississippi. Currently enrolled in the General Business program.
